## Fashion Parade

The ladies major fundraising event for this year was a very successful fashion parade held at the club house in June. The 120 tickets we had for sale for sale were sold out within 3 weeks – mostly to non-golf members from Port Sorell and Devonport areas. It was a fun evening, with 7 models, including our own Lois Richardson and Linda Baggott, showcasing fashions from The Trend Shed at Port Sorell and Mavis Boutique in Devonport.

The evening included lots of prize draws, donated by club members, and a very generous door prize donated by The Trend Shed. Katrina Mitchelson, Jill Murphy and Irene Page were kept very busy at the bar and it was great to see everyone mixing and participating in the fun.

A big thank-you to the ladies who helped prepare the nibbles for the night and those who helped to decorate the club house. It looked terrific. We would also like to thank the men, both old and not so old, who assisted on the Wednesday evening (after Veterans) with setting up the tables etc. It is a testament to the friendship and co-operation that we have within our club. Also a special mention must be made to the effort that Jan Gamble put in to ensure that the night was such a success – it was a well organised event and our takings were \$1,611, and the bar takings were \$800.

## Reciprocal Rights With St Helens Golf Club

The General Committee received a letter from St Helens Golf Club inviting Thirlstane to begin a relationship of reciprocal rights for both Clubs Members.

It is with pleasure that Thirlstane has agreed to this, so when you are down the East Coast go and have a game without having to play green fees.

We also have the existing reciprocal rights with:-

- Bridport
- Deloraine
- Pittwater
- Stanley
- Wynyard

## Rule 5.6b. Prompt Pace of Play

A round of golf is meant to be played at a prompt pace.

Your pace of play is likely to affect how long it will take other players to play their rounds, including both those in your group and those in following groups. You are encouraged to allow faster groups to play through.

Pace of Play Recommendations. You should play at a prompt pace throughout the round, including the time taken to:

- Prepare for and make each stroke,
- Move from one place to another between strokes, and
- Move to the next teeing area after completing a hole.

You should prepare in advance for your next stroke and be ready to play when it is your turn.

When it is your turn to play:

- It is recommended that you make the stroke in no more than 40 seconds after you are (or should be) able to play without interference or distraction, and
- You should usually be able to play more quickly than that and are encouraged to do so.

Playing Out of Turn to Help Pace of Play. In stroke play, play “ready golf” in a safe and responsible way.

In match play, you and your opponent may agree that one of you will play out of turn to save time.

## Vale Charles A Hinds

One of our long standing members Charlie Hinds passed away recently. He was a well loved and popular member having been part of our club for over 40 years. He joined Thirlstane when the course was being built and played regularly up until a few months ago.

He took part over the years in countless working bees and was responsible for building the tall seat that sits at the 6th teebed. He enjoyed pennant and visiting other clubs and celebrated multiple hole in ones. With his wife Pamela they entertained us many times with hilarious skits at our social functions.

Charlie will be sadly missed and our thoughts and condolences go out to his family.
